## **What is the Coaching Clinic®?**

The Coaching Clinic® is a two-day leadership program designed to train managers, leaders, executives, newly appointed supervisors, and teams to use coaching techniques in their work relationships, and thus gain the advantages of bringing a coach approach to managing and leading people.

## **What does the Coaching Clinic Do?**

Corporate Coach U's Coaching Clinic® provides a coaching toolkit of knowledge, techniques and practiced skills that individuals can apply competently and confidently to gain immediate benefits. Applying skills learned in The Coaching Clinic® has been shown to foster leadership potential and:

- Promote innovation and accelerate results
- Effectively develop and retain valuable organizational members
- Improve organizational communication and team effectiveness, and
- Deepen commitment to personal, professional and organizational goals

## **What should I expect?**

During the two-day Coaching Clinic® program, participants discover and experience how to inspire others to believe in their own success, sharpen their focus, and make radical shifts to achieve extraordinary results, all through state-of-the-art coaching techniques. Participants also discover their personal coaching style using the Personal Coaching Styles Inventory® (PCSI) which provides insights into how best to communicate with their team members for rapid development. Clinic participants:

- Discover coaching as a powerful management and leadership model
- Experience and practice “state-of-the-art” coaching techniques
- Understand the structure and process of integrating a coach approach to management, and
- Learn how to apply a coach-approach in the workplace immediately

The Coaching Clinic® equips managers and leaders to ‘show up’ as coaches in their working relationships. Workplace coaching expands beyond performance review to become part of every workplace interaction, whether formal or informal. **Register today!**
